

INNOVATION DEPARTMENT

“Let’s make building easier.”

*Dear Sir, dear Madam,
Dear Customers,*

For many years now, MACC has been designing and marketing innovative products that meet the specific needs of builders.

If you have an idea or are the creator of equipment that could be of interest to others in the trade, feel free to complete the form overleaf.

If your project passes our initial study, MACC agrees to offer a partnership so that together, we may work on your idea to make building easier.

Yours sincerely,

Jean-Christophe SUSSET
Chairman of the Board of Directors

MACC is committed to developing innovations
